This Font Software for Server Applications End User License Agreement (the "Agreement") becomes a binding contract between you and Beck McCormick™ when you accept the Agreement (for instance referring to the Agreement in a purchase order, a confirmation email etc.). If you do not wish to be bound by the Agreement, you cannot access, use or download the Font Software. Please read this entire Agreement before agreeing to be bound. The Agreement contains capitalized terms that are defined in Section 12 of the Agreement.

You hereby agree to the following:

1. Binding Agreement. You are bound by the Agreement and you acknowledge that all use of the Font Software supplied to you by Beck McCormick™ for the purposes set forth under this Agreement is governed by this Agreement.

2. License Grant. You are hereby granted, for the term identified in your account or transaction documentation such as a quotation or an invoice, a non-exclusive, non-assignable, non-transferable license (subject to all of the terms and conditions of this Agreement) to (i) install the Font Software on a Licensed Server or incorporate the Font Software into a single product and install the product on the Licensed Server for the purposes set forth in this Section 2, and (ii) to use the Font Software on Development Servers solely for internal development use, (iii) in each case for Internal Use only, (a) to create or allow End Users to create Embedded Documents that are not Commercial Products with Printing and Viewing Rights and Editing Rights, (b) distribute such Embedded Documents to End Users, and (s) grant End Users the right to Use the Font Software to print, view and edit the Embedded Documents. Beck McCormick™ reserves all rights not expressly granted to you in this Agreement.

A "single product" is one template or product for sale. A bundle of many individual products does not count as a "single product", nor does a subdivided product continue to count as one product. For example, if you have a single template with a large number of designs, and choose to subdivide that template into multiple smaller templates for sale, one license per each smaller product for sale is required.

3. Restrictions on Use.
- The maximum number of Licensed Servers onto which the Font Software may be installed during the term may not exceed the number of Licensed Servers you indicated in your account at www.beckmccormick.com (standard is 1 unless otherwise specified) when licensing the Font Software.
- You may only install the Font Software on the Licensed Servers and Development Servers and not on any other computer or processing unit.
- You agree that the Font Software (i) shall be incorporated in an Embedded Document in

such a manner that it cannot be extracted from the Embedded Document, (ii) will not be usable except with Embedded Document, and (iii) cannot be used or accessed by any unauthorized third party from a Licensed Server, Development Server or otherwise.
- All Use of the Font Software by an End User shall be pursuant to an End User Agreement which restricts the End User's right to Use Font Software to create, modify, or edit a document except on the Licensed Servers as well as prohibits the distribution of an Embedded Document by the End User.
- You agree that you will take no action which will have the direct or indirect effect of causing the Font Software to become Publicly Available Software or otherwise be subject to a Publicly Available Software agreement.

4. Alterations to the Font Software. You may not alter the Font Software for the purpose of adding any functionality that such Font Software did not have when delivered to you by Beck McCormick™. If the Font Software contains embedding bits that indicate that the Font Software is only authorized for certain purposes, you may not change or alter the embedding bits.

5. Transfer of the Font Software. You may not rent, lease, sublicense, give, lend, or further distribute the Font Software, or any copy thereof. If you are a business or organization, you agree that in case of a reasonable doubt with regard to the proper use of the Font Software within your organization, upon request from Beck McCormick™ or its authorized representative, you will within thirty (30) days fully document and certify that use of any and all Font Software at the time of the request is in conformity with your valid licenses from Beck McCormick™.

6. Copies. You may not copy the Font Software, except as expressly provided herein. You may make a reasonable number of back-up copies of the Font Software for archival purposes only, and you shall retain exclusive custody and control over such copies. Any copies that you are expressly permitted to make pursuant to the Agreement must contain the same copyright, trademark, and other proprietary notices that appear on or in the Font Software. Upon termination of the Agreement, you must destroy the original and any and all copies of the Font Software.

7. Intellectual and Industrial Property Rights.
- You agree that the Font Software is protected by the copyright law and other intellectual and industrial property rights of the United States and its various States, by the copyright law and other intellectual and industrial property rights of other nations, and by international treaties. You agree to treat the Font Software as you would any other copyrighted material.
- You agree that Beck McCormick™ owns all right, title and interest in and to the Font Software, its structure, organization, code, and related files, including all intellectual and

industrial property rights therein such as copyright, design and trademarks rights. You further agree not to use the Font Software in connection with software and/or hardware which create Derivative Works of such Font Software.
- You agree not to reverse engineer, decompile, disassemble, or otherwise attempt to discover the source code or instructions of the Font Software, provided, however, that if you are located in a European Community member country or any other country which provides rights materially similar to the rights set forth in this provision, you may reverse engineer or decompile the Font Software only to the extent that sufficient information is not available for the purpose of creating an interoperable software program (but only for such purpose and only to the extent that sufficient information is not provided in a timely manner free of charge by Beck McCormick™ upon written request.)
